COMMENTS FROM THE FLOOR

Shawn Sproles of 191 Knollwood expressed disapproval of an assault weapons ban.

Vikki Stilts of 106 Interocean Avenue in South Chicago Heights discussed concerns
with the property at 3112 Peoria. Ms. Stilts requested the following be read into the
Official Village Minutes;

Trustee Banicki explained to Mrs. Stilts that he was out of town last week and has
planned to meet with Mrs. Stilts upon his return. Trustee Banicki plans to discuss the
situation with the Mayor and schedule a meeting with Mrs. Stilts in the next 1-2
weeks.

Tricia Ellison of 22620 Cottage Grove, an NRA certified women’s instructor
expressed her disapproval of an assault weapons ban.

Harry Hammock expressed his disapproval of an assault weapons ban.

Steve Nykaza of 117 E. 231st Street expressed his disapproval of an assault
weapons ban.

Mayor Peterson explained that the State Legislature passed a law and provided
municipalities with a ten day window to pass an ordinance regarding an assault
weapons ban.

Steve Thurmond 3344 Butler suggested the assault weapons ban opponents attend
Board meetings regularly to participate in other matters before the Board.

Trustee Perchinski made a motion to move the “Assault Weapons Ban” to the next
item on the agenda. Trustee Lopez seconded the motion. Voice vote was called; all
ayes. Motion carried.
Minutes of July 15, 2013 – page 2

Trustee Lopez made a motion to deny any discussion on an Assault Weapons Ban. Trustee Skrezyna seconded the motion. Voice vote was called; all ayes. Motion carried.

Mr. Gazzillo of 225th Street asked that repair of his street be considered. Supt of Public Works Bill Cox stated that the problem is not caused by water. Water travels through ditches on either side of the street. Mayor Peterson asked Engineer Joe Schudt to prepare a proposal for that section of road. Mr. Schudt stated that other than MFT funds, he did not know where the funds could come from. Mayor Peterson asked that Mr. Schudt complete his proposal assuming use of MFT funds. Mr. Schudt explained that there is a chance the work could be completed this fall/winter and if not it would be next spring.

MINUTES

Trustee Lopez moved that the reading of the minutes of the July 1st Board Meeting be dispensed with and accepted as written, as all members have copies. Trustee Sarek seconded the motion. Voice Vote was called; all ayes. Motion carried.

Re: Sherman Rd. Drainage
   22421 Sherman Road (Angellotti Property)
   JAS #95-036

President and Board of Trustees:

As requested we have reviewed the drainage situation in the east side roadside ditch of Sherman Road north of 32nd St. The area is a large lot subdivision fronted on the west by Sherman Rd. and on the east by a dedicated but never constructed Adoir Rd. The easterly boundary is, in many areas, the channel of Deer Creek with its attached regulatory flood plain. Sherman Rd. in this block is basically flat and the roadside ditch has only a poorly defined outlet. Also the Village Building Department, despite our efforts, has not been strong in the review and approval of lot drainage schemes when building permits are issued. For these reasons, driveway culvert elevations when installed are not viewed as parts of the overall drainage system and are usually just placed in the bottom of the existing ditch with little consideration to size, grade or elevation. This situation has caused a depression in the easterly roadside ditch at Sherman Road which allows a ponding of water in the ditch for an extended time period. If no homes or roads had been built over the years, the natural drainage would have been street drainage from west to east ending in Deer Creek. This natural flow has been interrupted by roads, road side ditches and structures. We believe there are 3 reasonable solutions to this situation as follows:

1. When the drainage area at Sherman and Steger Road is resolved and there is progress on the Phase 2 culvert replacement and repair program, the roadside ditch could be reconstructed to drain to 32nd and Deer Creek. This would involve the removal and replacement of the last 5 driveway crossings and approximately 320 feet of storm sewer along with appropriate restoration work. While we have not prepared a detailed estimate of this work, it will be in the five (5) figure range.

2. There currently is a privately constructed ditch beginning approximately 230 feet east of Sherman Road on the north side of the 22421 Sherman Road property. There are no drainage easements or dedications which would allow the Village to enter on to private property to construct an extension of the existing ditch or a drain tile from Sherman Road to the Deer Creek constructed outlet. If the adjacent property owners were to grant appropriate easements from Sherman to the existing tributary, to allow the Village to
enter private property to improve the drainage, this could be done as part of the Phase 2 Culvert Operations at a considerably less cost than option 1.

3. The standing water problem could be rectified by the homeowners without using Village contractors. If the owners should know a person with a small backhoe equipped tractor and if the adjacent owners agreed, a private drain tile could be installed by the neighbors or a ditch constructed as outlined in option 2. This private drain tile or shallow ditch would take care of the problem without the many documents, approvals and bidding procedures if the Village is involved. While the Village could not do any of the actual installation without easements, the drain tile (8-12” dia.) might be provided as part of the road and bridge maintenance.

We are available to discuss the situation at your convenience.

Very truly yours,
Joseph A. Schudt & Associates

Dear Board Members of Steger

This letter is to request an opportunity to audit (at no cost) your facilities in order to see what incentives you will receive through the DCEO (Department of Economic Opportunity) and the Illinois Clean Energy grant programs. Once we have completed our audit we will create estimates of the costs associated with the upgrades in lighting that are necessary for your buildings. If you decide to go forward with the project after we provide you estimates, we will file the paperwork for the grant work for your village. Once approved we will complete all work related with the project. We will then file all the final paperwork for the project. Once the grants have been sent to you we ask that you tender payment to Twin Supplies. If you have a balance you would pay at that time. There is no initial outlay for your village until the project is complete.

I hope this answers most of the questions you may have concerning how the process works. I can answer any additional questions you have after your Board meeting. I look forward to hopefully helping your village.

Thanks,

Ray Hurley

President Kenneth Peterson, Jr
Village of Steger
35 W 34th St
Steger, IL 60475

Dear President Peterson, Jr;

Will County Center for Community Concerns (WCCCC) has been an important part of the Will County social service community for more than 25 years. Our mission is to assist and enable low-income individuals and families to obtain the opportunities needed to prepare themselves for self-sufficiency. In 2012, Will County Center for Community Concerns provided a total of 13,735 services to Will County households and individuals at a total cost of $6,299,843.38.

Each year we assess the needs of our community by collecting and evaluating surveys about perceived needs. The need for utility assistance is always quite high, as is the interest in housing programs. We have several utility assistance programs available, including the Low Income Home Energy Assistance Program (LIHEAP), the Percentage of Income Payment Program (PIPP), and the ComEd Residential Special Hardship Program. Our Illinois Home Weatherization Assistance Program (IHAP), the Home Modification Program, and the Home Repair Program help keep families in safe, stable, affordable housing.

We have seen an incredible increase in the number of households facing foreclosure that need counseling or financial assistance to save their home. Families that are already struggling financially with the rising costs of food, utilities, transportation, and healthcare are now losing their homes after failing to keep up with their mortgage payments. To date more than 1,800 households have been assigned to our agency through the Illinois Housing Development Authority's Hardest Hit Program for temporary mortgage assistance, and we also provide no-cost housing counseling services to help families work through the foreclosure process.

We know that when families are struggling financially, our communities becomes less stable. In 2012, WCCCC helped stabilize the Village of Steger by expending $89,633.34 in direct client assistance, providing 242 services. As the Village of Steger allocates funds for FY 2013/2014, WCCCC requests that consideration is given toward making a donation to help us continue our efforts to maintain the stability of our Will County communities.

Will County Center for Community Concerns is grateful not only for your financial support, but also for the relationship we have developed with the Village of Steger that allows us to provide excellent service to your residents. If you have any questions about our agency, or would like additional information about our programs, please visit our web site (www.wcccc.net) or contact Kris White at (815) 722-0722 ext 201, or by email at kwhite@wcccc.net.

AN ORDINANCE TO CHANGE THE NAME OF
STEGER EMERGENCY SERVICES DISASTER AGENCY TO
STEGER DEPARTMENT OF HOMELAND SECURITY AND EMERGENCY
MANAGEMENT

NOW, THEREFORE, BE IT ORDAINED, by the President and Board of
Trustees of the Village of Steger, counties of Cook and Will and State of Illinois, that
the Steger Emergency Services and Disaster Agency's (ESDA) name is hereby
officially changed to the Steger Department of Homeland Security and Emergency
Management (HSEM).

BE IT FURTHER RESOLVED, that if any provision of this Ordinance, or the

Carmen Recapito, Village Clerk
Village of Steger

Steger, IL 60475

We’d like to begin with a hardy Thank You for all of the support you have given to our 70,000+ Girl Scouts and our council during the past year (and in most cases, the past years)! Whether you gave us permission to be in your community, and/or purchased a box of cookies and/or supported our fall product program, please know that YOU made a difference!

Yet another year has flown by and here we are again reaching out to you...our Community Friends!

As you probably are already aware, our Council has two Product Programs per year that we host:

- Our Fall Product Program (with order taking starting at the beginning of October 2013 / delivery before Thanksgiving) gives our girls the opportunity to earn start-up money for their troops.
- Our Cookie Sale (with order taking in the month of January 2014, delivery of those pre-orders in February and cookie booths from February-May) strengthens the girls’ 5 Skills for Daily Life which are:
  ✓ Goal Setting
  ✓ Decision Making
  ✓ Money Management
  ✓ People Skills
  ✓ Business Ethics

Most Girl Scouts participate in our Fall Product Program by asking family and friends for support but there are troops who host a booth sale in a local business and still others who sell door to door. During our Cookie Program, our girls do much the same but participation is much higher which I’m sure you can attest to as you see Girl Scouts ringing your doorbell, in front of your favorite Church, store or at a neighborhood meeting.

If your community requires us to apply for a permit, please see the attached Fall Product and Cookie detail sheet. If that is sufficient information to process our request on behalf of our Girl Scouts, please simply check the box at the base of this letter and fax (219-795-1224) or scan jmiller@girlscoutsgcnwi.org it back to Linda Miller. Linda is our point person on this project.

If more information is needed before processing our permit request, please send the forms to Linda and we’ll be sure to fill them out and get them back to you right away.

We are the largest council in the country and because we have 70,000+ Girl Scouts, distribution of badges to individuals is not possible; however, your permit or letter of approval (in a PDF format) can be e-mailed to each girl and troop efficiently from our office.

If you require a Certificate of Insurance, an updated Certificate of Insurance is automatically sent to you directly from our insurance agent on or about January 1st of each year. If you do not have it in your files, please let us know by checking below and we’ll be sure to get that to you as well.

If you have questions or need additional information, please don’t hesitate to e-mail or call Linda Miller at jmiller@girlscoutsgcnwi.org / 855-455-8347 ext.1948 or email or call Susan Rakis at srakis@girlscoutsgcnwi.org / 855-455-8347 ext. 2309.

Thank you for being there for our girls as we begin our 102nd year of making a difference!

Most Sincerely,

Jennifer Fredericks
