Hello, my name is Laura Elton. I have a 5 year old with Autism he is non verbal and an eloper, meaning that he runs off any chance he gets. He is also strong and is not sensitive to pain. He has broken a locked latched gate recently and took off down McKinley to Emerald. I am requesting a sign be displayed in my neighborhood. Autistic Child at Play, or I am open to suggestions. my cell phone number is 768-2045.

Thank You very much

Sincerely,

LAURA ELTON

Dear Mayor Ken Peterson and the Steger Village Board,

4/28/2015

It was back in the spring of 2007, when I started the mission of re-building the Steger Senior Boys Baseball program. Soon after that I joined the recreation Board. As a team we started with 13-14yr. olds and now we have programs thru 13- 24yr olds. There has been some great improvements made to the park and fields. Batting cages, fences for the outfield and partnerships with programs like Ho Chunk that helped us fund our programs without costing the kids more than most of Steger parents could afford. Most of all we put Steger proudly in the mix of some of the best baseball programs in the south side suburbs including a trip to the Colt World series for the 16U.

In the middle of this all I started as the Recreation Board President. This was only due to the great partnership with other coaches and volunteers that I was able to handle both positions. The one thing I enjoyed most took a back seat and that was coaching but I found a way to just enjoy watching my own son take on new challenges playing in college and still watching him play in the Steger College league.

At this point I have now taken on some new responsibilities in my job with the Village of Homewood, and at times this can be a bit demanding. So it is with great sadness that I feel I need to step down as the Recreation President. I have never taken on anything in my life that I have not given 100% effort to make in a success and I do not feel that I am able to do this at this time. I respect Steger and the program more than that and I just am not doing what I feel is enough. There are some great people in charge of the individual programs who are doing a great job and should be able to rely on me more. For this same reason I know they will continue to succeed. I plan to stay involved with the Baseball program and help Brian Metzner with baseball and any one who needs me as best as I can. I want to thank all of you for your support for all the years and remember I am just a phone call away. Steger is my Home.

Sincerely,

RECOMMENDATION

RE: **Zoning Variance**
Mr. Aaron Lake
Great Danes Kennel
22635 State Street
Steger, IL 60475

Dear Village President and Board of Trustees:

The Planning and Zoning Board of Appeals ("PZBA") held a public hearing on Wednesday, April 29, 2015 and voted to **deny the request** for a zoning change on the property commonly known as 22635 State Street (the "Subject Property"). Mr. Lake requested a zoning change from R1B (Family Dwelling District) to B-1 (Business District-Limited Retail) to allow him to operate a Great Danes Kennel.

During the public hearing, testimony and evidence were introduced establishing that: (a) the zoning and trend of development in the immediate area is essentially residential; (b) there is no property zoned with a "B-1" classification in the immediate vicinity of the Subject Property; and (c) rezoning the Subject Property to a "B-1" classification would permit commercial uses as a right in a residential neighborhood, and would thus negatively affect the values of neighboring property and potentially interfere with the use and enjoyment of such properties.

In light of the testimony and evidence introduced at the public hearing, the PZBA found that the proposed zoning change would not be in furtherance of the public interest and, therefore, the PZBA recommends denial.

Planning and Zoning Board of Appeals

SECTION III EMPLOYEE BENEFITS

(...)

B. VACATION TIME – FULL-TIME (NON-EXEMPT) EMPLOYEES EMPLOYED AS OF DECEMBER 31, 2013 *(Revisions Proposed: May 4, 2015)*

This Subsection B applies only to individuals employed in full-time (non-exempt) positions as of December 31, 2013.

Full-time (non-exempt) employees shall accrue vacation leave according to the following schedule:

	<u>Rate of Accrual Per Pay Period</u>	<u># of Pay Periods Each Year</u>	<u>Total Hrs. Per Year</u>
0 – 1 Year Employees	1.54	26	40
1 Year & 1 day – 4 Year Employees	3.08	26	80
4 Years & 1 day – 9 Year Employees	4.62	26	120
9 Years & 1 day – 19 Year Employees	6.16	26	160
19 Years & 1 day and Up	7.70	26	200

All employees eligible for vacation benefits should be aware of the following policies:

1. **Vacation accrual** will be calculated per pay period beginning with an employee's date of employment. Vacation accrual shall continue during vacation, recognized holidays, used sick leave, time off due to occupational disability, and any other paid leave. The maximum number of vacation hours which may be accrued by an employee is an amount equal to one and one-half times the number of vacation hours earned in one year.
2. On the years in which an employee earns an additional forty (40) vacation hours based on years of service, the new accrual factor will begin for the said employee one year prior. This is because an employee is owed those forty (40) vacation hours by his or her anniversary date. However, if an employee terminates employment with the Village of Steger on a vacation transitional year, the said employee will owe the Village all time accrued in advance for that additional forty (40) hours of vacation. The vacation transitional years are as listed:

One year and one day – Two years of employment
Four years and one day – Five years of employment
Nine years and one day – Ten years of employment

Nineteen years and one day – Twenty years of employment

3. Persons not employed full-time will not receive any vacation, unless otherwise provided for in the union contract.
4. When an employee leaves the employ of the Village or is reclassified to exempt status, the employee will receive his accrued vacation unless money (vacation time) is owed to the Village. In the event of an employee's reclassification to exempt status, the payment of accumulated and unused vacation time shall be made on the employee's last payroll check for his or her service in the non-exempt position and calculated based upon the employee's non-exempt wages.
5. No more than two (2) weeks of vacation time may be taken at a time unless authorized by the Department Head.
6. A vacation day(s) or half day(s) may be taken with consent of the Department Head. Vacation time cannot be taken in less than half day increments.
7. During the first two (2) weeks of each calendar year, the employee will advise the Department Head of his/her department of the period(s) he/she desires for vacation during the current calendar year. Vacation periods requested during the first two (2) weeks of each calendar year will be scheduled based on seniority on a rotating basis. For purposes of this sub-section, "rotating basis" shall mean that the employee with the highest seniority shall receive a scheduling preference for his or her first requested vacation period for the current calendar year and thereafter all other employees shall receive a maximum of one scheduling preference each calendar year in the order of their seniority. Requests to schedule vacation periods submitted after the second week of January, will be established on a first come, first serve basis for the remainder of the calendar year.
8. Department Heads will have final say as to vacation periods, including the discretion to approve or deny requests for vacation time based upon departmental staffing needs, but will try accommodating the employees requested time period. Only under an extreme emergency will vacations be granted on an immediate basis.
9. To qualify for vacation pay, a full-time employee must have worked for the Village ninety (90) days.

(....)

D. SICK LEAVE – FULL-TIME (NON-EXEMPT) EMPLOYEES EMPLOYED AS OF DECEMBER 31, 2013 *(Revisions Proposed: May 4, 2015)*

This Subsection D applies only to full-time (non-exempt) employees employed in a full-time (non-exempt) position as of December 31, 2013.

In the event any member of any department is injured or sick, rendering the employee unable or unfit to perform the employee's normal duties, the employee will be paid the normal hourly rate, if the employee called or notified the Department Head or Supervisor at least one (1) hour prior to employees' starting time.

1. All full-time employees will be granted eight (8) sick days, which is (64) hours per year. Sick time will accrue at the rate of 2.46 hours per pay period for each of the 26 pay periods throughout the calendar year.
2. All employees covered by the Union Contract will be granted sick leave according to the terms of the contract. For example, if the Union Contract states that those covered are entitled to nine (9) sick days which is (72) hours, then each employee will accrue at the rate of 2.77 hours per pay period for each of the 26 pay periods throughout the calendar year.
3. Reporting Sick Leave
 - a. When reporting absence the employee will report to the department head in charge of the said department. He/she will state the reason for absence and a telephone number that he/she can be reached at during his/her absence (pager number not acceptable).
 - b. When an employee reports an absence from work and when completing his/her payroll sheet, the date of absence must be reported.
 - c. Any employee that calls in sick on three (3) consecutive days must furnish the department supervisor with a doctor's certificate indicating that the employee is a patient, and indicating that the doctor observed the said employee during the three (3) day sick period. The certificate will also state when the employee may return to work. Failure to present said statement shall be cause for denying sick pay.
4. If an employee does not use many sick days, he or she may accumulate up to sixty (60) days. Unused sick leave will be compensated for at the time the employee separates from the Village or is reclassified to exempt status in the following manner:

6. Filing a false report of an illness or injury is looked upon as a serious breach of policy and may cause immediate termination of employment.
 7. When determination is made by the attending doctor or doctor chosen by the Village of Steger's Insurance Company that indicates that the employee can be released for light duty. It is the policy of the Village of Steger that light duty, whenever possible shall be provided, and the employee shall be required to return to work.
-
6. Any full-time employee that takes a sick leave for ninety (90) days or more caused by a disabling injury or illness while off duty shall have his monthly medical insurance premiums paid for by the Village of Steger for the first ninety (90) days. After expiration of the first ninety (90) days the employee will have the option of paying the premium while on sick leave for a period not to exceed eighteen (18) months (COBRA).
 7. A full-time employee who takes a sick leave for a disabling injury or illness incurred outside of their employment will be granted an opportunity to return to his or her former job in the event that the disability does not exceed ninety (90) days. During the period of the ninety (90) days the Village will have the right to receive medical reports relating to the continuing disability and obtain an independent evaluation at its own expense to determine if the disability is continuing.

E. PERSONAL TIME - FULL-TIME (NON-EXEMPT) EMPLOYEES EMPLOYED AS OF DECEMBER 31, 2013 *(Proposed Revisions: May 4, 2015)*

This Subsection E applies only to individuals employed in full-time (non-exempt) positions as of December 31, 2013.

Full-time employees will be awarded three (3) days, which is twenty-four (24) hours, per year (includes birthday holiday). This time may be carried over and the **employee may accrue a maximum of forty (40) hours**. Personal time may be taken with the Department Heads approval with no less than a twenty-four (24) hours' notice unless an emergency arises.

If personal time is to be used in combination with vacation time, this must be requested with the vacation request. If personal time is utilized in conjunction with two (2) sick days, then the Village will not have the right to demand a doctor's note before returning to work unless the Village has evidence that the employee was not ill or was working another job.

Effective 01/01/05, one (1) day, which is eight (8) hours of personal time was added in lieu of an Employee's Birthday as a holiday. The birthday holiday was removed from

the holiday pay schedule to facilitate bookkeeping. Employees are encouraged to take their birthday off as paid personal time.

Accrued but unused personal time will be compensated for at the time the employee separates from the Village or is reclassified to exempt status. In the event of an employee's reclassification to exempt status, the payment of accumulated and unused personal time shall be made on the employee's last payroll check for his or her service in the non-exempt position and calculated based upon the employee's non-exempt wages.

Subject: Vehicle Purchase

ACTION: For Monday, May 4, 2015

Brief History

In order to assure proper maintenance and longevity of the police department's fleet of vehicles, the department is seeking to purchase two vehicles, adding one additional vehicle to its current fleet. One of the new vehicles will be replacing vehicle 08-1, which was a 2008 Ford Explorer. This vehicle was transferred to the Fire Department on January 20, 2015, reducing the department's fleet. Both new vehicles will be utilized by the patrol division of the police department and will be fully marked patrol vehicles.

Analysis of Issue

The addition of the two new vehicles will allow for the additional longevity of our current vehicles which would normally be rotated out of service. The vehicles which would be purchased would include two 2016 model year Ford Explorers. This particular vehicle is available through the Suburban Purchasing Cooperative at a cost of approximately \$24,800.00 each. With all required additional emergency equipment and installation expenses the total cost of this vehicle is approximately \$32,457.75 each.

Budget Impact

The total cost of the 2 new vehicles is approximately \$64,915.50. The purchase of said vehicles was anticipated, and the associated expenses were included in the police department's annual budget which has already been approved. These funds however, would need to be financed by the village. Attached is a proposal and list of the complete vehicle description provided by both Currie Motors and Terry's Ford of Peotone.

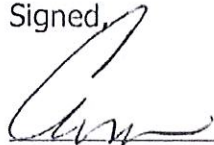

Staff Conclusions/Recommendations

Staff recommends purchasing said vehicles.

Alternatives

Maintain current fleet of vehicles as currently in place.

Signed,

Carl A. Mormann
Chief of Police

Federal Legislation on Lowering Flag to Half-Staff on May 15th

Fifty-one years ago, in 1962, President John F. Kennedy signed Public law 87-726 designating May 15th as Peace Officer' Memorial Day, and the week in which May 15th falls as National Police Week. The law was amended by the Violent Crime Control and Law Enforcement Act of 1994, Public Law 103-322, signed by President Bill Clinton, directing that the flag of the United States be displayed at half-staff on all government buildings on May 15th each year. While the actual dates change from year to year, National Police Week is always the calendar week, beginning on Sunday, which includes May 15th.

Proclamation National Police Week

Whereas, The Congress and President of the United States have designated May 15th as Peace Officers' Memorial Day, and the week in which May 15th falls as National Police Week; and

Whereas, the members of the law enforcement agency of Steger play an essential role in safeguarding the rights and freedoms of Steger; and

Whereas, it is important that all citizens know and understand the duties, responsibilities, hazards, and sacrifices of their law enforcement agency, and that members of our law enforcement agency recognize their duty to serve the people by safeguarding life and property, by protecting them against violence and disorder, and by protecting the innocent against deception and the weak against oppression; and

Whereas, the men and women of the law enforcement agency of Steger unceasingly provide a vital public service;

Now, therefore, I, Village President of Steger, call upon all citizens of Steger and upon all patriotic, civic and educational organizations to observe the week of May 10 - 16, 2015, as Police Week with appropriate ceremonies and observances in which all of our people may join in commemorating law enforcement officers, past and present, who, by their faithful and loyal devotion to their responsibilities, have rendered a dedicated service to their communities and, in so doing, have established for themselves an enviable and enduring reputation for preserving the rights and security of all citizens.

I further call upon all citizens of Steger to observe Friday, May 15, 2015, as Peace Officers' Memorial Day in honor of those law enforcement officers who, through their courageous deeds, have made the ultimate sacrifice in service to their community or have become disabled in the performance of duty, and let us recognize and pay respect to the survivors of our fallen heroes.

In witness thereof, I have here unto set my hand and caused the Seal of the Village of Steger to be affixed.

Thanks Sam. We will get this on the agenda for our May 4th meeting.

To Whom It May Concern:

My name is Samantha Zdzinicki, and I hereby request a temporary liquor license for May 17th, 2015, from 12 pm until 6 pm, so that we can serve beer and wine at Veteran's Park for a fundraiser for our family.

We will have DRAM insurance for this event, and a person over 21 will be serving the alcohol and checking ID's. We will also make sure that no one is over served at this event.

On March 3rd, Alton Bradley was murdered in Cedar Lake, IN. I am a very close friend of the family, and am organizing this fundraiser to help raise money for the family. Not only is this money going to benefit the Bradley's, but is also being donated to something huge in Alton's name. Alton was a senior at Hanover High School in Cedar Lake, he was supposed to graduate this coming May. What happened was a tragedy that hits close to home, and we are hoping that this fundraiser will get everyone together to celebrate the life of a young boy who could light up a room when he smiled.

Sincerely,
Samantha Zdzinicki
