**ORDINANCE NO. 1153**

STATE OF ILLINOIS     )

  )

**ORDINANCE AUTHORIZING THE REDEVELOPMENT OF CERTAIN  
PROPERTY IN THE VILLAGE OF STEGER AND THE INDUCEMENT OF  
CERTAIN REDEVELOPMENT EXPENDITURES FOR THE  
VILLAGE OF STEGER**

**WHEREAS**, the Village of Steger, Counties of Cook and Will, State of Illinois (the "Village") is a duly organized and existing municipality and unit of local government created under the provisions of the laws of the State of Illinois, and is operating under the provisions of the Illinois Municipal Code, and all laws amendatory thereof and supplementary thereto, with full powers to enact ordinances and adopt resolutions for the benefit of the residents of the Village; and

**WHEREAS**, On June 15, 2012 the Village President (the "President") and the Village Board (the "Board", and with the President, the "Corporate Authorities") approved a Redevelopment Plan and Project, designated a Redevelopment Project Area, and adopted Tax Increment Allocation Financing for a Redevelopment Project Area (the "Steger TIF"); and

**WHEREAS**, there exists certain property generally described in Exhibit A, attached hereto and made a part hereof (the "Site"), that is located within the Steger TIF; and

**WHEREAS**, Callie's Place, LLC, and its successors, nominees and assigns (collectively, the "Developer") intends to redevelop the Site to create a

restaurant establishment (the "Project"); and

**WHEREAS**, in order to revitalize and redevelop the Site, it may be necessary to undertake certain improvements and to pay certain site acquisition, preparation, renovation and related redevelopment costs for the Project; and

**WHEREAS**, the Village and the Developer will engage in good faith negotiations for the terms of a Redevelopment Agreement ("RDA") whereby the Village will provide financial incentives to the Developer relating to the Project; and

**WHEREAS**, as part of the Project, the Developer intends to make expenditures for certain redevelopment project costs ("Expenditures") as defined in the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, *et seq.* (the "TIF Act") relating to the Project; and

**WHEREAS**, the Site has not been subject to maximum development through investment of private enterprise and it is not reasonably anticipated to grow at the same level as other parts of the Village without certain public assistance by the Village; and

**WHEREAS**, the Village acknowledges that the Developer will not be able to complete the Project without economic assistance from the Village; and

**WHEREAS**, the Village desires having the Site improved and redeveloped, and believes that it is not economically feasible to do so without public intervention, given the impediments to development which characterize the Site; and

**WHEREAS**, the Corporate Authorities find and hereby declare that the use of incremental tax revenues derived from the tax rates of various taxing districts in the Steger TIF for the payment of “redevelopment project costs” (as defined in the TIF Act) will be beneficial, and that said taxing districts would not derive the benefits of an increased assessment base without the benefits of tax increment financing; and

**WHEREAS**, the Developer must move forward with certain planning costs, potential land transactions, rehabilitation, construction-related activities, and other Expenditures relating to the Project before an RDA can be negotiated and executed with the Village, and the Developer has done so and will continue to do so in reliance upon the prospect of such reimbursement once an RDA has been negotiated and executed with the Village; and

**WHEREAS**, to induce the Developer to make the Expenditures and to proceed with certain planning costs, as well as certain rehabilitation and/or construction-related activities associated with the Project, the Village, subject to the satisfaction of all legal requirements, has agreed to negotiate with the Developer in good faith to develop or draft a mutually agreeable RDA, and, upon the execution of such an RDA, to pay or reimburse the Developer for the Expenditures once money is available from the Steger TIF; and

**WHEREAS**, the Expenditures will not exceed Sixty-Five Thousand and 00/100 U.S. Dollars (\$65,000.00) (the “Cap”) and the Village will not reimburse the Developer for any Expenditures in excess of the Cap; and

**WHEREAS**, the Village reserves the right to decline to enter into an RDA

with the Developer; and

**WHEREAS**, the Village shall have no obligations under this Ordinance nor shall the Village be required to reimburse the Developer for any Expenditures under this Ordinance in the event that the Village does not enter into an RDA with the Developer;

**NOW, THEREFORE, BE IT ORDAINED** by the President and the Board of Trustees of the Village of Steger, Counties of Cook and Will, and the State of Illinois, as follows:

**ARTICLE I.  
IN GENERAL**

**Section 1.00          Incorporation Clause.**

All of the recitals hereinbefore stated as contained in the preambles to this Ordinance are full, true, and correct, and the Village Board does hereby, by reference, incorporate and make them part of this Ordinance as legislative findings.

**Section 2.00          Purpose.**

The purpose of this Ordinance is to authorize the Village to reimburse the Expenditures to the Developer for the creation of the Project at the Site not to exceed the Cap provided and in all instances contingent that: (i) an RDA has been executed between the Village and the Developer; (ii) such Expenditures are allowable under Illinois law; and (ii) the Expenditures are eligible expenditures of TIF increment under the TIF Act.

**Section 3.00          Invocation of Authority.**

This Ordinance is adopted pursuant to the authority granted to the Village by the Constitution of the State of Illinois and the Illinois Compiled Statutes.

**Section 4.00. State Law Adopted.**

All applicable provisions of the Illinois Compiled Statutes, including the Illinois Municipal Code, as may be amended from time to time, relating to the purposes of this Ordinance, are hereby incorporated herein by reference.

**ARTICLE II.  
AUTHORIZATION OF SUPPORT FOR REIMBURSEMENT**

**Section 5.00 Actions Authorized.**

Developer will be allowed to request reimbursement for advanced funds from Tax Increment Financing ("TIF") not to exceed the Cap provided that: (i) an RDA has been executed between the Village and the Developer; (ii) such Expenditures are allowable under Illinois law; and (ii) the Expenditures are eligible under the TIF Act. It is the reasonable expectation of the Village Board that the Village will reimburse the Developer for the Expenditures if an RDA between the Village and the Developer is executed.

The Village will enter into good faith negotiations with the Developer toward an RDA relating to the Project and the Expenditures, among other matters, providing for the reimbursement by the Village of certain Expenditures not to exceed the Cap made or to be made by the Developer, said reimbursement to be made solely from tax increment allocation revenues to be received by the Village with respect to the Steger TIF. Expenditures eligible for

reimbursement include those made by the Developer with respect to the Project after the date of adoption of this Ordinance.

If, after good faith negotiations, the Village and the Developer do not agree as to the form and terms of an RDA, the Village will have no further obligation to the Developer with respect to the Project and the Expenditures and no preapproved Expenditures will need to be reimbursed by the Village.

**ARTICLE III.  
AUTHORIZATION OF SUPPORT**

**Section 6.00      Authorization.**

That the Corporate Authorities hereby approve of and authorize the reimbursement to the Developer for the Expenditures not to exceed the Cap in relation to the Project at the Site subject to the limitations provided in this Ordinance. That the Corporate Authorities hereby authorize and direct the President or his designee to draft and execute all necessary documents and perform all necessary tasks to effectuate the intent of this Ordinance. That the President or his designee, and the Village Attorney as may be required, are hereby authorized and directed to draft, execute, and complete any and all documents deemed necessary, to effectuate the intent of this Ordinance, whether or not such other documents are attached hereto. That the Village Clerk is hereby authorized and directed to attest to, countersign, and affix the seal of the Village to all such documents as are deemed necessary.

**Section 7.00      Other Actions Authorized.**

The officers and employees of the Village shall take all actions reasonably required or necessary to carry out and give effect to the intent of

this Ordinance and otherwise take all actions necessary in conformity therewith including, without limitation, the execution and delivery of all documents required to be delivered in connection with the actions contemplated herein.

**Section 8.00 Acts of Village Officials.**

That all past, present, and future acts and doings of the officials of the Village that are in conformity with the purpose and intent of this Ordinance are hereby, in all respects, ratified, approved, authorized, and confirmed.

**ARTICLE IV.  
HEADINGS, SAVINGS CLAUSES,  
PUBLICATION, EFFECTIVE DATE**

**Section 9.00 Headings.**

The headings for the articles, sections, paragraphs, and sub-paragraphs of this Ordinance are inserted solely for the convenience of reference and form no substantive part of this Ordinance nor should they be used in any interpretation or construction of any substantive provisions of this Ordinance.

**Section 10.00 Severability.**

The provisions of this Ordinance are hereby declared to be severable and should any provision, clause, sentence, paragraph, sub-paragraph, section, or part of this Ordinance be determined to be in conflict with any law, statute, or regulation by a court of competent jurisdiction, said provision, clause, sentence, paragraph, sub-paragraph, section, or part thereof shall be excluded and deemed inoperative, unenforceable, and as though not provided for herein, and all other provisions shall remain unaffected, unimpaired, valid, and in full force and effect. It is hereby declared to be the legislative intent of the Village

Board that this Ordinance would have been adopted had not such unconstitutional or invalid provision, clause, sentence, paragraph, subparagraph, section, or part thereof been included.

**Section 11.00      Superseder.**

All code provisions, ordinances, resolutions, and orders, or parts thereof, in conflict herewith are, to the extent of such conflict, hereby superseded.

A full, true, and complete copy of this Ordinance shall be published in pamphlet form or in a newspaper published and of general circulation within the Village as provided by the Illinois Municipal Code, as amended.

**Section 13.00      Effective Date.**

This Ordinance shall be in full force and effect upon its passage, approval, and publication, as provided by law.

**WHEREAS**, the State of Illinois has enacted the Prevailing Wage Act (820 ILCS 130/0.01, *et seq.*) (the "Act"), which regulates the wages of laborers, mechanics and other workers employed in any public works by the state, county, city, or any public body or political subdivision or by anyone under contract for public works; and
