WHEREAS, for the purpose of providing funds to pay the Project Costs and in accordance with the provisions of the Local Government Debt Reform Act, as supplemented and amended (the "Act"), the Corporate Authorities on December 18, 2017, adopted an ordinance (the "Authorizing Ordinance") authorizing the issuance of alternate bonds, being general obligation bonds payable from any revenue source as provided by the Act, in an amount not to exceed \$3,500,000; and

WHEREAS, the Corporate Authorities hereby determine that the Pledged Revenues will provide in each year an amount not less than 1.25 times debt service of the alternate bonds proposed to be issued; and

WHEREAS, such determination is supported by the most recent audit of the Village (the "Audit"), which Audit has previously been presented to the Corporate Authorities and is currently on file with the Village Clerk;

NOW THEREFORE, BE IT ORDAINED BY THE CORPORATE AUTHORITIES OF THE VILLAGE OF STEGER, WILL AND COOK COUNTIES, ILLINOIS, AS FOLLOWS:

Section 1. Issuance of Bonds.

(a) The Corporate Authorities hereby find that all of the recitals contained in the preambles to this ordinance are full, true and correct and do incorporate them into this ordinance by this reference.

(b) It is hereby found and determined that the Corporate Authorities of said Village have been authorized by the provisions of the Act to issue alternate bonds of said Village in the aggregate amount of not to exceed \$3,500,000 for the purpose of paying the Project Costs to serve the inhabitants of the Village and such borrowing of money is necessary for the welfare of the government and affairs of the Village, is a proper public purpose and is in the public interest.

(c) There shall be borrowed on the credit of and for and on behalf of the Village, an amount not to exceed \$3,500,000 for the Project, and the Village shall issue in the name of the

Village its "General Obligation Bonds (Alternate Revenue Source), Series 2018" (or such other designation as appropriate) (the "Bonds") pursuant to the Act in an aggregate principal amount of not to exceed \$3,500,000 for the purpose of the payment of the Project Costs.

The Bonds shall be issued in the denomination of Five Thousand Dollars (\$5,000) each or integral multiples thereof, numbered consecutively from 1 upward, and dated the date of delivery. The Bonds shall become due and payable serially (subject to mandatory and optional redemption as set forth herein) on January 1 of each year over a period ending no later than January 1, 2041, and shall bear interest at rates not to exceed 6.00% per annum. The exact maturity schedule and interest rates shall be set forth in a bond order executed by the Village President following the sale of the Bonds (the "Bond Order").

The Bonds shall bear interest from the most recent date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on January 1 and July 1 of each year commencing on January 1, 2019.

Section 2. Registrar and Paying Agent. The Registrar and Paying Agent for the Bonds shall be named in the Bond Order (the "Registrar" or "Paying Agent"). The Registrar is hereby charged with the responsibility of authenticating the Bonds. The principal of the Bonds shall be payable at the principal office of the Paying Agent. All payments of interest on the Bonds shall be paid by check, mailed one business day prior to the interest payment date to the registered owners thereof as the names appear as of the fifteenth day of the month preceding the interest payment date and at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Paying Agent in writing by such registered owner. If payment of principal or interest is made to a depository, payment shall be

made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time). All payments on the Bonds shall be made in any coin or currency of the United States of America, which on the date of such payment, shall be legal tender for the payment of public and private debts.

Each Bond shall be transferable or exchangeable only upon the books of the Village kept for that purpose at the principal office of the Registrar by the registered owner in person, or by its attorney duly authorized in writing, upon surrender of such Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner, or its attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds in an authorized aggregate principal amount and of the same maturity, shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The Registrar shall not be required to transfer or exchange any Bond during the period beginning at the close of business on the fifteenth (15th) day of the month preceding an interest payment date on such Bond occurs and ending on such interest payment date. The costs of such transfer or exchange shall be borne by the Village except for any tax or governmental charge required to be paid with respect to the transfer or exchange, which taxes or governmental charges are payable by the person requesting such transfer or exchange. The Village, Registrar and Paying Agent for the Bonds may treat and consider the person in whose name such Bonds are registered as the absolute owner thereof for all purposes including for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon.

The Registrar and Paying Agent may at any time resign as Registrar and Paying Agent upon giving 30 days' notice in writing to the Village and by first class mail to each registered owner of the Bonds then outstanding, and such resignation will take effect at the end of such 30 day period or upon the earlier appointment of a successor registrar and paying agent by the Village. Any such notice to the Village may be served personally or sent by registered mail. The Registrar and Paying Agent may be removed at any time as Registrar and Paying Agent by the Village, in which event the Village may appoint a successor registrar and paying agent. The Village shall notify each registered owner of the Bonds then outstanding by first class mail of the removal of the Registrar and Paying Agent. Notices to the registered owners of the Bonds shall be deemed to be given when mailed by first class mail to the addresses of such registered owners as they appear on the registration books kept by the Registrar.

Upon the appointment of any successor registrar and paying agent by the Village, the Village President and Village Clerk are authorized and directed to enter into such agreements and understandings with such successor registrar and paying agent as will enable the institution to perform the services required of a registrar and paying agent for the Bonds. The Village President and Village Clerk are further authorized to pay such fees as the successor registrar and paying agent may charge for the services it provides as registrar and paying agent and such fees may be paid from the fund established to pay the principal of interest on the Bonds as fiscal agency charges.

Any predecessor registrar and paying agent shall deliver all of the Bonds and any cash or investments in its possession with respect thereto, together with the registration books, to the successor registrar and paying agent.

Interest on the Bonds shall be payable from the interest payment date to which interest has been paid next preceding the authentication date of the Bonds unless the Bonds are authenticated after the fifteenth day of the month preceding an interest payment date and on or before such interest payment date in which case they shall bear interest from such interest payment date, or unless the Bonds are authenticated on or before December 15, 2018, in which case they shall bear interest from the original date until the principal shall be fully paid.

Section 3. Redemption. The Bonds maturing on or after January 1, 2029, are subject to redemption at the option of the Village in whole on any date or in part on any interest payment date, on and after January 1, 2028 (unless a different date shall be provided in the Bond Order), and if in part in the order of maturity selected by the Village, and within maturity by lot, at 100% of the principal amount thereof plus accrued interest in the redemption date.

The Bonds may also be subject to mandatory sinking fund redemption as set forth in the Bond Order.

Unless waived by any holder of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Bond Registrar on behalf of the Village by mailing the redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All notices of redemption shall state:

- (1) the redemption date,
- (2) the redemption price,

- (3) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be a corporate trust office of the Bond Registrar, and
- (6) such other information then required by custom, practice or industry standard.

Prior to any redemption date, the Village shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Unless moneys sufficient to pay the redemption price of the Bonds to be redeemed shall have been received by the Bond Registrar prior to the giving of such notice of redemption, such notice may, at the option of the Village, state that said redemption shall be conditioned upon the receipt of such moneys by the Bond Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the Village shall not redeem such Bonds, and the Bond Registrar shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed.

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Village shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered holder a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

Section 4. Execution and Negotiability. Each of the Bonds shall be executed in the name of the Village by the manual or facsimile signatures of the Village President and the Village Clerk, and the seal of the Village shall be affixed, imprinted, engraved or otherwise reproduced thereon and countersigned by the manual or facsimile signature of the Village Treasurer; and these officials, by the execution of a Signature and No Litigation Certificate, shall adopt as and for their own proper signatures the facsimile signatures appearing on the Bonds. In case any officer whose signature or facsimile signature appears on the Bonds shall cease to be such officer before the delivery of the Bonds, the signature of such officer shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

The Bonds shall have all of the qualities and incidents of negotiable instruments under the laws of the State of Illinois, subject to the provisions for registration herein.

The Bonds shall also be authenticated by the manual signature of the Registrar and no Bond shall be valid or become obligatory for any purpose until the certificate of authentication thereon has been so executed.

Section 5. Form of Bonds. The form and tenor of the Bonds shall be substantially as follows, all blanks to be filled in properly prior to delivery:

The Village President and Village Clerk are also authorized and directed to apply for or direct the Purchaser to apply for, and obtain municipal bond insurance on the Bonds if the Purchaser can demonstrate that the present value of the interest to be saved by procuring such insurance is greater than the premium required to be paid to procure it.

Section 7. Alternate Revenue Source; Tax Levy; Additional Security. For the purpose of providing funds required to pay the interest on the Bonds promptly when and as the same falls due and to pay and discharge the principal thereof at maturity, the Village covenants and agrees with the Purchaser and the owners of the Bonds that the Village will deposit into the Bond Fund described in Section 10 hereof (i) certain sales tax revenues received by the Village, and (ii) such other funds of the Village as may be lawfully available and annually appropriated for such payment (the "Pledged Revenues"). The Pledged Revenues are hereby pledged to the payment of the Bonds, and the Corporate Authorities covenant and agree to provide for, collect and apply the Pledged Revenues to the payment of the Bonds.

For the purpose of providing additional funds to produce the sums necessary to pay interest on the Bonds as it falls due and pay and discharge the principal thereof at maturity, there be and there is hereby levied upon all the taxable property within the Village a direct annual tax (the "Pledged Taxes") for each of the years while the Bonds or any of them are outstanding, in amounts sufficient for that purpose, and that there be and there is hereby levied upon all of the

taxable property in the Village, in addition to all other taxes, a direct annual tax in the amount of not to exceed \$300,000 per year to be levied from 2018 to no later than 2048. The exact amount of the tax for each year shall be as set forth in the Bond Order.

Principal or interest coming due at any time when there are not sufficient funds on hand from the Pledged Taxes to pay the same shall be paid from current funds on hand of the Village, and the fund from which such payment was made shall be reimbursed out of the Pledged Taxes hereby levied when the same shall be collected.

The Village covenants and agrees with the Purchaser and the owners of the Bonds that so long as any of the Bonds remain outstanding, the Village will take no action or fail to take any action which in any way would adversely affect the ability of the Village to collect the Pledged Revenues or to levy and collect the Pledged Taxes, and the Village and its officers will comply with all present and future applicable laws in order to assure that the Pledged Revenues will be available and that the Pledged Taxes will be levied, extended and collected as provided herein and deposited in the Bond Fund.

The funds derived from the tax levy be and the same are hereby appropriated and set aside for the sole and only purpose of paying principal and interest on said Bonds when and as the same become due. The funds from the sale of said Bonds be and they are hereby appropriated and set aside for the purpose hereinbefore set out.

Section 8. Filing of Ordinance – Bond Fund. After this Ordinance becomes effective, a copy hereof, certified by the Village Clerk, shall each be filed with the County Clerk of Will and Cook Counties (the “County Clerk”). The County Clerk shall in and for the years 2018 to no later than 2040, inclusive, ascertain the rate required to produce the aggregate Pledged Taxes hereinbefore provided to be levied in each of said years; and the County Clerk

shall extend the same for collection on the tax books in connection with other taxes levied in said years in and by the Village for general corporate purposes of the Village; and the County Clerk, or other appropriate officer or designee, shall remit the Pledged Taxes for deposit to the credit of a special fund created by Section 10 hereof and referred to as the "Bond Fund", and in said years the Pledged Taxes shall be levied and collected by and for and on behalf of the Village in like manner as taxes for general corporate purposes of the Village for said years are levied and collected, and in addition to and in excess of all other taxes. The Pledged Taxes are hereby irrevocably pledged to and shall be used only for the purpose of paying principal of and interest on the Bonds.

Section 9. Abatement of Pledged Taxes. Whenever funds in an amount not less than the amount needed to pay the principal of and interest on the Bonds for the subsequent calendar year are on deposit in the Bond Fund, the Corporate Authorities shall by adoption of an appropriate ordinance direct the abatement of the Pledged Taxes by such amount, and proper notification of such abatement shall each be filed with the County Clerk in a timely manner to effect such abatement.

Section 10. Bond Fund and Project Fund. (a) Bond Fund. There is hereby established a special fund of the Village known as the "Alternate Bond and Interest Fund of 2018" (the "Bond Fund") to be held by the Paying Agent which is a trust fund established for the purpose of carrying out the covenants, terms and conditions imposed upon the Village by this ordinance. The Bonds are secured by a pledge of all of the moneys on deposit in the Bond Fund, and such pledge is irrevocable until the Bonds have been paid in full or until the obligations of the Village are discharged under this ordinance. Within the Bond Fund there shall be created two accounts: the Bond and Interest Account (the "Bond and Interest Account") and the Surplus

Account (the "Surplus Account"). The Bond and Interest Account shall only be used to pay the interest on the Bonds and principal of the Bonds at maturity or upon redemption. The Surplus Account may be used by the Village for any lawful purpose. Pledged Taxes shall be set aside as collected and deposited into the Bond and Interest Account. Upon receipt of the Pledged Revenues, the Village Treasurer shall deposit into the Bond and Interest Account an amount equal to one-sixth (1/6) of the amount of interest due on the Bonds on the next interest payment date and an amount equal to one-twelfth (1/12) of the amount of principal due on the Bonds on the next principal payment date. The balance of the Pledged Revenues received each month shall be deposited into the Surplus Account.

(b) Project Fund. There is hereby established a special fund of the Village known as the "Project Fund" to be held by the Treasurer. There shall be deposited in the Project Fund the proceeds of the Bonds in an amount as provided in Section 11 hereof. The Project Fund shall be maintained separate and apart from all other accounts of the Village.

Section 11. Use of Bond Proceeds. Accrued interest, capitalized interest and any premium received on the delivery of the Bonds are hereby appropriated for the purpose of paying interest due on the Bonds and are hereby ordered deposited into the Bond Fund. Proceeds of the Bonds in excess of the amount of accrued interest and the amount needed to pay capitalized interest on the Bonds are hereby appropriated for paying the Project Costs and are hereby ordered deposited into the Project Fund.

Interest received from deposits in the Project Fund shall, at the discretion of the Corporate Authorities, either be transferred for the payment of the principal of and interest on the Bonds on the interest payment date next after such interest is received or be retained in the Project Fund. In the event that any moneys remain in the Project Fund upon completion of the

Project, the Village shall deposit the remaining moneys into the Bond Fund and shall cause such moneys to be used to pay the interest on the Bonds on the earliest possible date. Such moneys which are on deposit in the Bond Fund after 30 days of the date of deposit shall be invested at a yield not exceeding the yield on the Bonds in the event that the investment of such moneys shall cause the Bond Fund not to be a bona fide debt service fund pursuant to Treas. Reg. Section 1.148(1)(b).

Section 12. Defeasance of the Bonds. If, when the Bonds or a portion thereof shall have become due and payable in accordance with their terms, and the whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the Bonds or a portion thereof then outstanding shall be paid; or (i) sufficient moneys or (ii) direct obligations of the United States of America (including obligations issued or held in book entry form on the books of the Department of the Treasury), the principal of and the interest on which when due will provide sufficient moneys for such purpose, shall be held in trust for such purpose, and provision shall also be made for paying all fees and expenses for the redemption, then and in that case the Bonds or any designated portion thereof issued hereunder shall no longer be deemed outstanding or entitled to any pledge of the Pledged Revenues and the Pledged Taxes made herein.

Section 13. Investment of Moneys. Moneys in the Bond Fund and Project Fund may be invested by the Village Treasurer in lawful investments for the Village. All income earned or losses sustained on such investments shall be credited to the Fund or Account from which the investments were made.

Section 14. Additional Bonds. The Village may without limit issue additional bonds ("Additional Bonds") on a parity with or junior to the Bonds as to the pledge of the Pledged

Revenues. If such Additional Bonds are to be parity bonds, the Pledged Revenues shall be sufficient to provide for or pay all of the following: (i) debt service on all outstanding Bonds computed immediately after the issuance of any proposed Additional Bonds, and (ii) an additional amount not less than 0.25 times debt service on the outstanding Bonds and Additional Bonds after the issuance of the proposed Additional Bonds. Such sufficiency shall be calculated for each year to the final maturity of the Bonds and the Additional Bonds. The determination of the sufficiency of the Pledged Revenues shall be supported by reference to the most recent audit of the Village, which audit shall be for a Fiscal Year ending not earlier than eighteen (18) months previous to the time of issuance of the proposed Additional Bonds. If such audit shows the Pledged Revenues to be insufficient, then the determination of sufficiency may be supported by the report of an independent accountant or feasibility analyst demonstrating the sufficiency of the Pledged Revenues and explaining by what means they will be greater than shown in the audit.

Section 15. Amendments with Consent of Bondholders. Subject to the terms and provisions contained in this section, and not otherwise, the owners of not less than sixty-seven percent (67%) in aggregate principal amount of the Bonds issued pursuant to this ordinance and then outstanding shall have the right from time to time, anything contained in this ordinance to the contrary notwithstanding, to consent to and approve the adoption by the Village of such ordinance or ordinances supplemental hereto or amendatory hereof, as shall be deemed necessary or desirable by the Village for the purpose of modifying, altering, amending, adding to or rescinding in any particular manner any of the terms or provisions contained in this ordinance, or in any supplemental ordinance; provided, however, that nothing herein contained shall permit or be construed as permitting:

(a) An extension of the maturity of the principal of or interest on any Bond issued pursuant to this ordinance; or

(b) A reduction in the principal amount of any Bond or the rate of interest thereon; or

(c) A preference or priority of any Bond or Bonds issued pursuant to this ordinance over any other Bond or Bonds issued pursuant to the provisions of this ordinance; or

(d) A reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance.

If the owners of not less than sixty-seven percent (67%) in aggregate principal amount of the Bonds outstanding at the time of adoption of such supplemental ordinance shall have consented to and approved the adoption thereof by written instrument to be maintained on file in the office of the Village Clerk of the Village, no owner of any Bond issued pursuant to this ordinance shall have any right to object to the adoption of such supplemental ordinance or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Village from adopting the same, or from taking any action pursuant to the provisions thereof. Upon the adoption of any supplemental ordinance pursuant to the provisions of this section, this ordinance shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this ordinance of the Village and all owners of Bonds then outstanding, shall thereafter be determined, exercised and enforced in accordance with this ordinance, subject in all respects to such modifications and amendments. Notwithstanding anything contained in the foregoing provisions of this ordinance, the rights and obligations of the Village and of the owners of the Bonds authorized by this ordinance, and the terms and provisions of the Bonds and this ordinance, or any supplemental or amendatory ordinance, may

be modified or altered in any respect with the consent of the Village and the consent of the owners of all the Bonds then outstanding.

Section 16. Tax Covenants. In order to preserve the exclusion of interest on the Bonds from gross income for federal tax purposes under Section 103 of the Internal Revenue Code of 1986 as existing on the date of issuance of the Bonds (the "Code") and as an inducement to purchasers of the Bonds, the Village represents, covenants and agrees that:

(a) No more than 10% of the payment of the principal of or interest on the Bonds will be (under the terms of the Bonds, this ordinance or any underlying arrangement), directly or indirectly, (i) secured by any interest in property used or to be used for a private business use or payments in respect of such property or (ii) derived from payments (whether or not to the Village) in respect of such property or borrowed money used or to be used for a private business use.

(b) No more than 5% of the Bond proceeds will be loaned to any entity or person other than a state or local governmental unit. No more than 5% of the Bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the Bond proceeds.

(c) The Village reasonably expects, as of the date hereof, that the Bonds will not meet either the private business use test described in paragraph (a) above or the private loan test described in paragraph (b) above during the entire term of the Bonds.

(d) Neither the Village nor the Corporate Authorities will take any action or fail to take any action with respect to the Bonds that would result in the loss of the exclusion from gross income for federal tax purposes on the Bonds pursuant to Section 103 of the Code, nor will the

Village or the Corporate Authorities act in any other manner which would adversely affect such exclusion.

(e) It shall not be an event of default under this ordinance if the interest on any Bond is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the Bonds.

(f) The Village represents that:

- (1) The Bonds are not private activity bonds as defined in Section 141 of the Code;
- (2) The Village hereby designates the Bonds as qualified tax-exempt obligations for purposes of Section 265(b) of the Code; and
- (3) The reasonably anticipated amount of qualified tax-exempt obligations (including 501(c)(3) obligations and tax-exempt leases but excluding other private activity bonds) which will be issued by the Village and all entities subordinate to the Village during 2018 does not exceed \$10,000,000.
- (4) The Village has not designated more than \$10,000,000 of qualified tax-exempt obligations during 2018.

Therefore, the Bonds qualify for the exception in the Code from the disallowance of 100% of the deduction by financial institutions of interest expense allocable to tax-exempt obligations.

(g) These covenants are based solely on current law in effect and in existence of the date of delivery of the Bonds.

The Village hereby authorizes the officials of the Village responsible for issuing the Bonds, the same being the Village President, the Village Clerk and the Village Treasurer of the

Village, to make such further covenants and certifications as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be excludable from gross income for federal income tax purposes. In connection therewith, the Village further agrees: (a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds as required pursuant to Section 148 of the Code and the regulations promulgated thereunder; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Village in such compliance.

Section 17. Noncompliance with Tax Covenants. Notwithstanding any other provisions of this ordinance, the covenants and authorizations contained in this ordinance (the "Tax Sections") which are designed to preserve the exclusion of interest on the Bonds from gross income under federal law (the "Tax Exemption") need not be complied with if the Village receives an opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.

Section 18. Registered Form. The Village recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the Village agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 19. Severability. If any section, paragraph or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this ordinance.

Section 20. Publication. The Village Clerk is hereby authorized and directed to publish this ordinance in pamphlet form and to file copies thereof for public inspection in his/her office.

Section 21. Conflicting Ordinances. All ordinances, resolutions and parts of ordinances and resolutions, in conflict herewith are hereby repealed.

Section 22. Headings. The headings or titles of the several sections shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this ordinance.

Section 23. Effective Date. This ordinance shall be in full force and effect from and after its adoption and approval.

AMERICAN CANCER SOCIETY RELAY FOR LIFE
Celebrate. Remember. Fight Back.

March 7, 2018

Dear Mayor Peterson and Members of the Village Board,

On June 2, 2018, my Relay For Life team will be participating in our sixth year at the American Cancer Society Relay for Life event from noon until midnight at the Lake County Fairgrounds in Crown Point, IN. We love being a part of this fundraising event because 100% of the money we raise goes to the American Cancer Society, which funds more cancer research than any other non-governmental organization. They also provide free lodging to cancer patients who live too far away from treatment centers, rides to and from appointments, and answers thousands of calls for help on their 24/7 hotline.

My team is requesting the opportunity to have four members stand at the corner of Chicago Road and Steger Road from 9 am to 3 pm on Saturday, May ^{12th} ~~11th~~ to ask for a monetary contribution as a part of our fundraising effort. There will be no children involved. This would be our third year conducting this street fundraiser at this location. We would appreciate your allowing us this incredible opportunity again this year.

We will present to each contributor a 4x6 index card thanking them for their support that says "You're a Lifesaver!" It will have a lifesaver attached. This card will have the Relay for Life event information on it. A copy has been submitted with this letter.

We appreciate your taking the time to consider our request.

Respectfully,

Dear Mayor Peterson and Village Board,

I am writing on behalf of the Steger Kiwanis Club. One of our major fundraisers is our annual Peanut Day. This year, Kiwanis has designated Friday September 28, 2018 as Peanut Day. Our Club would like to sell peanuts on the major intersections of the Village on that day.

We can supply the village with our letter of insurance if necessary and would request that public works supply us with Orange Safety Cones to aid drivers in seeing our members at the corners. Your help in this matter is greatly appreciated.

Any questions regarding this request can be directed to my attention. Thank you again.

Sincerely,

Joe Zagone Jr.
