

Phase 3 Reopening of Steger

Vehicle Stickers & Dog Registration

Village Stickers and Dog Registration due dates have been extended until August 1, 2020. Village sticker renewal statements will be going out in the mail no later than June 1, 2020.

For Vehicle Stickers there are two options for renewing:

- 1) You can renew on-line and the stickers will be mailed to you. Please make sure you enter all the mailing information including any apartment numbers as this will cut down on any delays in getting your new stickers.
- 2) Or you can come into village hall for them. We ask that if you have more than 3 renewals that you either process them on line or please call the village hall to set up an appointment time to be taken care of, you may also drop them off for processing and we will call you when they are ready to be picked up.

Any new vehicle registrations will need to bring their current registration to add the vehicle, all others will be verified at time of renewal.

For Dog Registration there are also two options for renewing:

- 1) In person at village hall, please bring most recent vaccination record(s) from the Vet.
- 2) Use the Dropbox, and include a copy of the recent vaccination record(s) from the Vet and we will call you when they are ready to be picked up.
