TRUSTEES REPORTS

Trustee Trotier I believe we had a great day for Steger Day of Music on August 20th despite the rain. We are not surprised because we had rain, we deal with it. There were conflicting events in neighboring towns that may have affected our attendance, the numbers would have been increased, but we could not help that. Thank you, Steve Thurmond, and all who assisted in the softball games. Trustee Thurmond mentioned all proceeds go to Alicia's House. Alicia's house generously supports the Village of Steger Holiday Food Baskets. Thanks to all the food vendors who participated. If anyone has a vendor who would like to participate in the future, please contact our Village Administrator Mary Jo Seehausen. Bingo was well attended. Glad to see our residents out there especially Mr. Armellino. The bands and the DJ were very entertaining as well as the children's events with the Bouncy Houses and Rock Climbing. Our next event is October 16th, keep note that Oktoberfest will be moving to Veteran's Park. Parking will be more easily accessible for all. One remark in regard to parking is the dropping off and picking up of people especially handicapped. Trustee Trotier will discuss further options with EMA Chief Johnston. EMA Chief Johnston explained that he would not recommend

opening 36th Street during such events, but has his crew available at the barricades providing access to those who need handicap drop-off. It was recommended by Trustee Lopez that these concerns be presented to the committee's planning these events to make such arrangements. Trustee Perchinski agreed that it should be discussed by event planners. Trustee Trotier further recommended more signage for directing visitor's to our events at Steger Road and Union Avenue entry points. Again, Event Planners can consider these suggestions. Additionally, I am tag teaming with Village Administrator Seehausen researching grants, if anyone is looking for anything in particular, let us know, there may be funds we can pursue.

Trustee Lopez No report.

Trustee Thurmond I want to thank everyone for coming out for Steger Day of Music. It was a mild success. The Charity Softball Game was beneficial to Alicia's House, outside a mishap. All in all, it was a good event for everybody. The stonework around the welcome signs is delayed. I got some direction from the scouts in doing their community service projects and we will meet at a later date to iron that out. Desiderio has been more than accommodating in the delays.

Trustee Joyce Reported that our Garbage Pick-up is delayed one day this week due to the Labor Day Holiday. In August there were 6 water main breaks. Five were fixed in house and one was fixed by a contractor. Shortly, the summer season is ending and winter prep is going to be starting for Public Works. Usually this needs to be done before the end of October.

Trustee Perchinski Reminded all that the 19th Annual Alicia's House Celebrity Golf Outing, Auction and Dinner will be this Saturday the 10th. Golf starts at Noon and includes dinner for \$100. Dinner starts at 5 and is \$45 if you are not golfing.

Trustee Kozy No Report.

BILLS

Trustee Joyce made a motion to approve the bills listed when funds are available. Trustee Thurmond seconded the motion.

Discussion:

Trustee Perchinski questioned some amounts that he believed had to do with Steger Day of Music. The amounts in question will be verified with Village Administrator Seehausen when she returns.

Roll was called. The following Trustees voted aye; Thurmond, Lopez, Trotier, Joyce and Perchinski. Motion carried.

10. OWNERSHIP AND INTELLECTUAL PROPERTY RIGHTS

- 10.1 The Customer acknowledges that, as between the Customer and Cloudpermit, Cloudpermit owns all right, title, and interest, including all intellectual property rights, in and to the Cloudpermit Software. 11. INDEMNITY

- 11.1 Each Party will indemnify, defend and hold harmless the other Party and its officers, directors, employees, agents, successors, subcontractors, attorneys, affiliates and assigns from and against any and all losses, damages, liabilities, claims, penalties, fines, costs or expenses of whatever kind, including legal fees, disbursements and charges, and the cost of enforcing any right to indemnification and the cost of pursuing any insurance providers incurred by a Party to the extent arising out of or relating to: (a) any claim by a third party that a Party's acts or omissions with respect to the Cloudpermit Software infringes a third party's intellectual property right, provided that the foregoing obligation does not apply to any claim arising out of or relating to any access to or use of the Cloudpermit Software in a manner contrary to this Agreement or the additional terms and conditions for use by End Users available at www.cloudpermit.com as may be amended from time to time, or contrary to any instructions provided by Cloudpermit regarding use of the Cloudpermit Software or use of the Cloudpermit Software in combination with any hardware, system, software, network or other materials or service not provided or authorized by Cloudpermit; (b) the indemnifying Party's breach of this Agreement; or (c) the indemnifying Party's negligence or willful misconduct in connection with this Agreement.
- 11.2 If any part of the Cloudpermit Software is, or in Cloudpermit's reasonable opinion is likely to be, claimed to infringe, misappropriate or otherwise violate any third party intellectual property right, or if the Customer's or any End User's use of the Services is enjoined or threatened to be enjoined, Cloudpermit may, at its option and sole cost and expense: (a) obtain the right for the Customer to continue to use the Cloudpermit Software materially as contemplated by this Agreement; (b) modify or replace the Cloudpermit Software, in whole or in part, to seek to make the Cloudpermit Software (as so modified or replaced) non-infringing, while providing materially equivalent features and functionality, in which case such modifications or replacements will constitute the Cloudpermit Software as provided under this Agreement; or (c) by written notice provided sixty (60) calendar days in advance to the Customer to terminate this Agreement with respect to all or part of the Cloudpermit Software (providing a pro-rated refund for any prepaid access to the Cloudpermit Software) and

12. LIMITATION OF LIABILITY

- 12.1 IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY IN CONTRACT, TORT OR OTHERWISE, WHATEVER THE CAUSE THEREOF, FOR ANY LOSS OF PROFIT, BUSINESS, REVENUE OR GOODWILL, DAMAGES CAUSED BY DELAYS, OR A FAILURE TO REALIZE EXPECTED SAVINGS, OR ANY INDIRECT, SPECIAL, CONSEQUENTIAL, INCIDENTAL, EXEMPLARY, AGGRAVATED OR PUNITIVE COST, DAMAGES OR EXPENSE OF ANY KIND, HOWSOEVER ARISING UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE CLOUDPERMIT SOFTWARE, WHETHER OR NOT SUCH DAMAGES, COSTS, LOSSES OR EXPENSES COULD REASONABLY BE FORESEEN OR WHETHER OR NOT THEIR LIKELIHOOD HAS BEEN DISCLOSED.
- 12.2 NEITHER PARTY SHALL BE LIABLE FOR THE DESTRUCTION, LOSS OR ALTERATION OF THE OTHER PARTY'S DATA OR DATA FILES, NOR FOR ANY DAMAGES AND EXPENSES INCURRED AS A RESULT, INCLUDING EXPENSES INVOLVED IN THE RECONSTRUCTION OF DATA FILES.
- 12.3 IN NO EVENT SHALL EITHER PARTY'S AGGREGATE LIABILITY IN 11.1 ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, EXCEED THE AGGREGATE AMOUNT PAID OR PAYABLE TO CLOUDPERMIT PURSUANT TO THIS AGREEMENT DURING THE SIX (6) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE CLAIM. MAXIMUM LIABILITY SHALL BE SIX (6) MONTHS OF THE ANNUAL SUBSCRIPTION FEE.

13. CONFIDENTIALITY

- 13.1 In connection with this Agreement each Party (as the "Disclosing Party") may disclose or make available Confidential Information to the other Party (as the "Receiving Party"). "Confidential Information" means information in any form or medium (whether oral, written, electronic or other) that the Disclosing Party considers confidential or proprietary, including, information consisting of, or relating to, the Disclosing Party's technology, trade secrets, know-how, business operations, plans, strategies, customers and pricing and information with respect to which the Disclosing Party has contractual or other confidentiality obligations, in each case whether or not marked, designated or otherwise identified as "confidential".
- 13.2 Confidential Information shall not include any data or information: (i) that, at the time of disclosure, is in or, after disclosure, becomes part of the public domain, through no act or failure on the part of the Receiving Party; (ii) that, prior to disclosure by the Disclosing Party, was already in the possession of the Receiving Party, as evidenced by written records kept by the Receiving Party in the ordinary course of its business, or as evidenced by proof of actual prior use by the Receiving Party; (iii) that was independently developed by the Receiving Party, by persons having no direct or indirect access to the Disclosing Party's Confidential Information provided that the Receiving Party provides clear and convincing evidence of such independent development; or (iv) which, subsequent to disclosure, is obtained from a third person: (A) who is lawfully in possession of the such information; (B) who is not in violation of any contractual, legal, or fiduciary obligation to either Party, as applicable, with respect to such information; and (C) who does not prohibit either Party from disclosing such

information to others; (v) is further disclosed with the prior written consent of the Disclosing Party, but only to the extent of such consent; or (vi) is a disclosure required by state or federal open records laws or a disclosure ordered by a court or similar adjudicator or authority.

- 13.3 Each Party will, and will cause its employees, agents and contractors to hold Confidential Information of the other Party in confidence, and will use the same degree of care by instruction, agreement or otherwise, to maintain the confidentiality of the other Party's Confidential Information that it uses to maintain the confidentiality of its own Confidential Information, and with at least a reasonable degree of care commensurate with the nature and importance of such Confidential Information. Each Party agrees not to make use of Confidential Information other than for the exercise of rights or the performance of obligations under this Agreement, and not to release, disclose, communicate or make it available to any third person other than employees, agents and contractors of any Party or third party who reasonably need to know it in connection with the exercise of rights or the performance of obligations under this Agreement.
- 13.4 In the event that a Party receives a request to disclose all or any part of the Confidential Information under the terms of a valid and effective subpoena or order issued by a court of competent jurisdiction or by a governmental authority, such Party will: (i) immediately notify the other Party of the existence, terms and circumstances surrounding such a request; (ii) consult with the other Party on the advisability of taking legally available steps to resist or narrow such request; and (iii) if disclosure of such Confidential Information is required, exercise reasonable efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to such portion of the disclosed Confidential Information which the other Party so designates.
- 13.5 Each Party acknowledges and agrees that any unauthorized use or disclosure by it of any of the other Party's Confidential Information, in whole or part, will cause irreparable damage to the Disclosing Party, that monetary damages would be an inadequate remedy and that the amount of such damages would be extremely difficult to measure. The Receiving Party agrees that the Disclosing Party shall be entitled to seek temporary and permanent injunctive relief to restrain the Receiving Party from any unauthorized disclosure or use. Nothing in this Agreement shall be construed as preventing the Disclosing Party from pursuing any and all remedies available to it for a breach or threatened breach of this Agreement, including the recovery of monetary damages from the Receiving Party.
- 13.6 Cloudpermit is entitled to identify the Customer as a user or former user of the Cloudpermit Software without violating any confidentiality obligation.

14. TERM AND TERMINATION

- 14.1 This Agreement commences on the date of its execution by the Customer and will continue in effect for the term stated in the Order Form unless terminated earlier under any of this Agreement's express provisions
- 14.2 Either Party may terminate this Agreement by giving written notice to the other Party upon the occurrence of any of the following: (a) the other Party defaults with respect to a material obligation under this Agreement and does not remedy that default within ten (10) Business Days after receiving written notice of the default; or (b) the other

Party: (i) makes a general assignment for the benefit of its creditors; (ii) has issued against it a bankruptcy order or otherwise becomes subject to any involuntary proceeding under any domestic or foreign bankruptcy law; or (iii) commences or institutes any application, proceeding or other action under any law relating to bankruptcy, insolvency, winding-up, reorganization, administration, plan of arrangement, relief or protection of debtors, compromise of debts or similar laws. Termination related to such assignment or bankruptcy will not result in any penalties or liability to either Party.

- 14.3 Upon the expiration or termination of this Agreement, except as expressly otherwise provided in this Agreement: (a) all rights, grants of rights, licenses, consents and authorizations by either Party to the other will immediately terminate; (b) notwithstanding anything to the contrary in this Agreement, with respect to Confidential Information then in its possession or control: (i) the Receiving Party may retain the Disclosing Party's Confidential Information in its then current state and solely to the extent and for so long as required by applicable law, (ii) Cloudpermit may retain Customer Data in its backups, archives and disaster recovery systems until such Customer Data is deleted in the ordinary course of its business, (iii) all information described in this Agreement will remain subject to all confidentiality, security and other applicable requirements of this Agreement; and (c) Cloudpermit may disable all Customer and End User access to the Cloudpermit Software.
- 14.4 Termination or expiration of this Agreement will be without prejudice to any rights, remedies or obligations of the Parties accrued under this Agreement prior to termination or expiration.

15. FORCE MAJEURE

- 15.1 Neither Party will be liable for failure to fulfill, or for delay in fulfilling, its obligations required hereunder due to a Force Majeure Event.
- 15.2 The Party whose performance under this Agreement is prevented or delayed by a Force Majeure Event will advise the other Party by notice in writing of the occurrence of the Force Majeure Event as soon as possible and shall do all things reasonably possible to mitigate any loss being caused to the other Party by reason of the Force Majeure Event, and will notify the other Party of the termination of the Force Majeure Event.

16. NOTICES

- 16.1 Every notice or other communication between the Parties will be deemed to have been given and made if in writing and if served by personal delivery upon the Party for whom it is intended, when sent by registered or certified mail, return receipt requested, or by a national courier service, or if sent by email (receipt of which is confirmed) to the Customer's and Cloudpermit's contact persons as stated in the Order form.
- 16.2 Any such notification will be deemed to have been delivered: (a) upon receipt, if delivered personally; (b) on the next Business Day, if sent by national courier service for next business day delivery or if sent by email and (c) in five Business Days if sent by mail when the actual time of receipt is not otherwise shown by the postal system. Any correctly addressed notice or last known address of the other Party that is reasonably relied upon that is refused, unclaimed, or undeliverable because of an act or omission of the Party to be notified shall be deemed effective as of the first date

that said notice was refused, unclaimed, or deemed undeliverable by the postal authorities by mail, through messenger or commercial express delivery services.

17. ASSIGNMENT

- 17.1 Neither Party may assign or transfer this Agreement or any right under this Agreement without the prior written consent of the other Party, except to an Affiliate or successor in interest by merger, acquisition or reorganization.

18. AMENDMENTS AND WAIVERS

- 18.1 No amendment to this Agreement will be valid or binding unless it is made in writing and executed by all Parties. No waiver of any breach of any provision of this Agreement will be effective or binding unless made in writing and signed by the Party purporting to give any waiver and, unless otherwise provided, any waiver will be limited to the specific breach waived.

19. SEVERABILITY

- 19.1 If a provision of this Agreement is or becomes invalid, ineffective or unenforceable, the validity, effectiveness or enforceability of the remaining provisions will remain unaffected. The Parties will negotiate in good faith to replace the invalid, ineffective or unenforceable provision immediately with a valid, effective or enforceable provision which comes as close as possible to the spirit and purpose of the provision to be replaced.

20. APPLICABLE LAW AND DISPUTES

- 20.1 This Agreement is governed by the laws of the state in which the Customer is located excluding any conflict of law rule or principle of such laws that might refer such interpretation or enforcement to the laws of another jurisdiction. Each Party submits to the jurisdiction of the applicable court(s) in such location with respect to any matter arising under this Agreement.

21. CONTINUING TO PERFORM

- 21.1 Except in the event of termination of this Agreement pursuant to its terms, during a dispute or notice or cure period, Cloudpermit will continue to fulfill all its obligations under this Agreement, and Customer will continue to make all payments required by the Agreement.

22. ENTIRE AGREEMENT

- 22.1 This Agreement is the complete agreement between the Parties concerning the subject matter of this Agreement and replaces any prior oral or written communications between the Parties. There are no conditions, understandings, agreements, representations, or warranties expressed or implied, that are not specified in this Agreement including, without limitation, the Order Form. In the event and to the extent of an inconsistency or conflict between any of the terms of this Agreement, including its appendices, and any other documents incorporated herein by reference, the conflict or inconsistency shall be resolved by giving those provisions and

documents the following order of descending precedence: (1) the Order Form; (2) this Software Service Agreement; (3) any Appendices; (4) any other document referenced by this Agreement or agreed to by the Parties, unless it expressly and specifically replaces or modifies any of the prior documents, in whole or in part.

23. RELATIONSHIP

- 23.1 The Parties are independent contractors and no other relationship is intended. Nothing herein shall be deemed to constitute either Party as an agent, representative or employee of the other Party, or both Parties as joint venturers or partners for any purpose. Neither Party shall act in a manner that expresses or implies a relationship other than that of independent contractor. Each Party shall act solely as an independent contractor and shall not be responsible for the acts or omissions of the other Party. Neither Party will have the authority or right to represent nor obligate the other Party in any way except as expressly authorized by this Agreement.

24. NO THIRD PARTY BENEFICIARIES

- 24.1 This Agreement is for the sole benefit of the Parties and their successors and assigns and nothing herein, express or implied, is intended to or shall confer upon any other person any legal or equitable right, benefit or remedy. End Users may benefit from their use of the Cloudpermit Software, but End Users' relationships to the Parties are not defined by this Agreement because they are defined solely: (a) to Cloudpermit by the terms and conditions for use by End Users available at www.cloudpermit.com as may be amended from time to time; and (b) to the Customer by separate agreement(s), if any, between the Customer and End Users.

25. EXECUTION

25.1 ***This Agreement must be executed simultaneously in two separate places:*** (1) on the Order Form; and (2) in the signature block below (both documents must be signed by the Customer before execution of this Agreement is complete). They may be executed in two or more identical counterparts, or by way of facsimile and electronic transmission without any further exchange of documents containing original signatures, each of which when executed by a Party will be deemed an original and such counterparts together will constitute one and the same Agreement.
