MINUTES OF THE PUBLIC HEARING  
BEFORE THE BOARD OF TRUSTEES OF THE  
VILLAGE OF STEGER, WILL & COOK  
COUNTIES, ILLINOIS

The Public Hearing convened at 6:45 P.M. on this 5<sup>th</sup> day of February 2024 in the Municipal Building of the Village of Steger, Illinois. Mayor Peterson called the meeting to order and led all in attendance in the Pledge of Allegiance to the flag.

Village Clerk Joseph M. Zagone, Jr. called the roll. The following Trustees were present, Thurmond, Lopez, Stewart, Trotier, Joyce and Perchinski. Mayor Peterson was present.

Mayor Peterson announced that this is a PUBLIC HEARING REGARDING THE PROPOSED ANNUAL APPROPRIATION ORDINANCE FOR THE FISCAL YEAR BEGINNING JANUARY 1, 2024 AND A CERTIFIED ESTIMATE OF REVENUES BY SOURCE.

Mayor Peterson asked for public comment. Hearing none, Mayor Peterson asked for comments from the Village Board.

Trustee Thurmond presented several questions to the Village Administrator regarding salary of office manager, the bus salary, the Union Avenue project, training for staff. Trustee Thurmond questioned the \$10,000 increase in the Admin Code. Village Administrator Seehausen explained where those increased are and where they can be found. Trustee Thurmond questioned how we are budgeted on Village Events. The events have been budgeted on what has been raised in the past so as not to be a burden on the Village. Trustee Thurmond questioned the 50/50 sidewalk program. Funds not used last year do not carry over. Mayor Peterson explained the workings of items like this including funds not spent on projects like the Water tower repair. Trustee Thurmond questioned if we know how much repairs will be on the Ladder Truck. The repair is somewhere in the area of \$15,000 and is in the budget.

Trustee Lopez: I have one question in regard to the allocation for EMA. Village Administrator Seehausen stated that Public Safety is only split between Fire and Police. EMA does not have its own Trustee. EMA falls within the realm of Public Safety, but EMA is funded through the General Fund.

Trustee Joyce questioned other incomes including cable franchise taxes, is there a reason why they dropped? Village Administrator Seehausen stated that it is based on how it is collected through the state.

Trustee Lopez stated that a lot of the time we budget for something, many times we don't spend that money and we stay within our allocation. I only wish we get more up to date monthly budget reviews. That will be my goal moving forward.

There being no further business,

Trustee Perchinski made a motion to adjourn the meeting. Trustee Lopez seconded the motion. Voice vote; all ayes. Motion carried.

Meeting adjourned at 7:55 pm.

**Trustee Trotier:** We are looking forward to hosting another successful Earth Day. Preliminary plans are under way. In the past, we have focused on cleaning up the winter debris along Chicago Rd and in our parks. We have also planted flowers and perennials. Earth Day falls on a Monday; however, plans are underway to host the event on a Saturday (April 20, 2024). Stay tuned for more details and a confirmation on the date. Next, we are working on scheduling another Recycling Event in June of 2024. Last year went very well. We appreciate all who were able to participate, including members from the Village of Steger Athletic Department. The event is a great way to properly discard electronics that are collecting dust in our homes and to show support. Details to follow. Finally, as a follow-up to Mark Baxter's inquiry regarding "Home Beautification Awards", I reached out and left a message. We are in the process of gathering information. In the end, we are stronger and more successful with your community support. If you are interested in participating or becoming a sponsor for events, please email the Village of Steger at [fdesk@villageofsteger.org](mailto:fdesk@villageofsteger.org) or call the Village at (708) 754-3395. Trustee Stewart made a motion to adopt ORDINANCE NO. 1313: AN ORDINANCE APPROVING AND AUTHORIZING A CONSULTING SERVICES AGREEMENT BY AND BETWEEN THE VILLAGE OF STEGER, AND GOVERNMENT CONSULTING SOLUTIONS, INC. Trustee Trotier seconded the motion.

Discussion: Trustee Perchinski pointed out that we had a guy named Al Ronen working for us. We must have put \$240,000 in that guys pocket and he never did anything for us. This is nothing personal against these people, but in my eyes, lobbyist are the scourge of government. Mayor Peterson acknowledged Trustee Perchinski's opinion. Trustee Perchinski: and we do have representation through SSSMA. Mayor Peterson acknowledged that representation but said it does not single out the Village of Steger, and we have specific needs especially where it relates to our drainage. We need money and we need to fight for that. We need to get through the red tape at the IDNR to get the money that appears to be available. Trustee Stewart: I'll back you up on that Mayor, if you don't have a lobbyist that is working for you directly, Trustee Perchinski: that's what our representatives do. Trustee Stewart: We need someone in Springfield working for us, and if this firm does not produce, their contract will not be renewed next year.

Roll was called. The following Trustees voted aye; Thurmond, Stewart, Trotier and Joyce. Trustees Lopez and Perchinski voted no. Mayor Peterson voted aye. Motion carried.

Trustee Trotier questioned the quality of the food to be served and what is the look and décor planned for the facility.

Trustee Perchinski made a motion to table a new Business Application from Henry Haddad for the Corner Store/County Line Grill at 3345 Chicago Rd. in Steger, IL. Trustee Joyce seconded the motion but added: Henry, put a business plan together with a floor plan and what you want to do. Mayor Peterson explained concerns that exist on the board and want to know more about what is planned for the restaurant.

► Model 2001-130 and Equinox

## High Power, Directional Rotating Siren

The Federal Signal 2001-130 and Equinox sirens is a high power, rotating, unidirectional outdoor warning siren. The high-decibel output provides maximum coverage with minimum installation cost. Radio/cellular/satellite or wireless IP activation can further minimize installation costs by eliminating the need for leased dedicated control lines.

The siren's projector produces a 60-degree projection of sound which rotates at 3 RPM and can produce three distinct warning signals: steady, wail and fast wail. The siren will supply a minimum of 15 minutes of full power output from its batteries after AC power loss. The siren controls are available with battery operation, solar, AC operation, and AC operation with battery back-up, one-way and two-way radio control, wired or wireless Ethernet, satellite/cellular or landline. The 2001 Series is offered in low frequency (500 Hz) or mid-range frequency (790 Hz).

Ideal applications for this warning siren include hazardous weather conditions, fires, floods, chemical spills and other types of community or facility emergencies.

### FEATURES

- High-powered rotating siren for maximum coverage
- Available in low and mid-range frequency
- Three distinct warning signals
- AC or Solar powered with battery operation or back-up
- Weather-resistant coating
