MINUTES OF THE REGULAR MEETING
OF THE BOARD OF TRUSTEES OF THE
VILLAGE OF STEGER, WILL & COOK
COUNTIES, ILLINOIS

The Board of Trustees convened in regular session at 7:00 P.M. on this 3rd day of February 2025 in the Municipal Building of the Village of Steger, Illinois. Village Clerk Zagone led all in attendance in the Pledge of Allegiance to the flag.

The roll was called. The following Trustees were present; Thurmond, Lopez, Stewart, Trotier, Joyce and Perchinski.

Also present: Village Administrator Mary Jo Seehausen, Director of Public Infrastructure Dave Toepper, Fire Chief Mike Long, Police Chief Greg Smith, EMA Chief Jason Stevenson, Community Center Director Diana Rossi and Village Attorney James Vasselli.

Clerk Zagone: In the absence of a chair, is there any objection to me proceeding with this process as I have in the past?

With no objection:

I will begin in the absence of a President to ask if any of you have nominations to make for that position. I will start with Trustee Stewart.

Do you have a nomination to make?

Trustee Stewart: No

Trustee Thurmond, do you have a nomination to make?

Trustee Thurmond: William Joyce.

Clerk Zagone: Trustee Joyce, do you accept the nomination?

Trustee Joyce: Yes

Trustee Trotier, do you have a nomination to make?

Trustee Trotier: I do, Ernie Lopez.

Clerk Zagone: Trustee Lopez, do you accept the nomination?

Trustee Lopez: I do.

Trustee Joyce, do you have a nomination to make?

Trustee Joyce: I do not.

Trustee Perchinski, do you have a nomination to make?

Trustee Perchinski, I do not.

Trustee Lopez, do you have a nomination?

Trustee Lopez: I do not.

With that, we will go through the vote process.
When I call your name, tell me who you wish to vote for.

Trustee Stewart:	William Joyce
Trustee Thurmond:	William Joyce
Trustee Trotier:	Ernie Lopez
Trustee Joyce:	William Joyce
Trustee Perchinski:	Ernie Lopez
Trustee Lopez:	Ernie Lopez

Clerk Zagone: we are at a stalemate again. We can go around again or I'll take a nomination for Pro-tem.

Trustee Perchinski made a motion to appoint Trustee Lopez Chairman Pro-tem for the meeting. Trustee Trotier seconded the motion. Roll was called. The following Trustees voted aye; Lopez, Trotier and Perchinski. Trustees Thurmond, Stewart and Joyce voted no. Motion failed.

Trustee Perchinski: Guys, we have five more meetings. We have done the exact same, when we were in need of a mayor, everytime for the last 12 years, Ernie Lopez has been our choice. Can we get this together so we can get this meeting going?

Trustee Perchinski: I once again make a motion to nominate Ernie Lopez as Mayor Pro-tem. Trustee Trotier seconded the motion. Roll was called. The following Trustees voted aye; Lopez, Trotier and Perchinski. Trustees Thurmond, Stewart and Joyce voted no. Motion failed.

Trustee Thurmond made a motion to appoint Trustee Tim Perchinski Chairman Pro-tem for the meeting. Trustee Perchinski denied the nomination.

Trustee Thurmond made a motion to appoint Trustee Cindy Trotier Mayor Pro-tem for the meeting. Trustee Joyce seconded the motion. Trustee Trotier declined the nomination.

Trustee Thurmond made a motion to appoint Trustee Gerald Stewart Chairman Pro-tem for the meeting. Trustee Joyce seconded the motion. Roll was called. The following Trustees voted aye; Thurmond, Stewart and Joyce. Trustees Lopez, Trotier and Perchinski voted no. Motion failed.

Trustee Trotier: I am going to say the same thing that Trustee Perchinski said, when something happens in your household, you try to stay as normal as possible. I am not sure why we want to shake everything up. You keep things as normal until you decide to have a leader. Why are we changing things right now? Things that we have done for the last how many years, ask yourself out there and here, why are we changing things?

There is something different right now in our household or here at the Village Board. Why are we trying to change it even more. Something to think about, is , that is all I am going to say for right now.

Clerk Zagone: We have four meetings left at this point in time. I think it would be silly to give the oath of office to a new mayor. But, nothing is being done other than the business that is being done at this meeting. If we don't get the business done tonight at this meeting, none of this stuff should be waiting until May 1st to be taken care of. So, all we need is a Pro-tem to operate this meeting tonight. Sign the papers that are needed for the Village to continue to operate. I will ask for another nomination.

Trustee Stewart made a motion to appoint Trustee Steve Thurmond Chairman Pro-tem for the meeting. Trustee Joyce seconded the motion. Roll was called. The following Trustees voted aye; Thurmond, Stewart and Joyce. Trustees Lopez, Trotier and Perchinski voted no. Motion failed.

Village Attorney Vasselli: I am looking to see if there is a way to operate without a chair. I do not see anything in the law that allows the body to assemble without a chair.

Village Administrator Seehausen: Do we just cancel the meeting?

Village Attorney Vasselli: We cannot go forward. I need a moment and I have never been to a meeting without a chair seated.

Village Attorney Vasselli asked for a moment to research our options.

Attorney Vasselli returned: Obviously we have not seated a Mayor Pro-tem, in the absence of a mayor, a temporary chairman is required. A board in deliberate assembly in Robert's Rules requires a chairperson to honor or take such actions as is pursuant to article 10, chapter 58 in Robert's Rules of Order which governs all municipalities in how they proceed under Parliamentary Procedure. The duties of the chair to open a session, call to order and announce the business before the assembly, recognize those entitled to speak, put things to a vote and maintain order in a system of business. For example, to appeal the ruling of chair in the event of a parliamentarian discussion. Without a chair, I do not see how we can proceed with the meeting. I apologize, I obviously thought this from the beginning. I thought it would be worth a little research to go forward, but without a chair I do not see how we can go forward with the meeting. Clerk cannot be the chair. That is not allowed under state law. Under state law, in the absence of a mayor or president, the corporate authorities may elect one of their members, regrettably Mr. Clerk you are not a member of the corporate authorities. I am open to suggestions from the members of the Corporate Authorities, but at this point in time without a chair, there is no proceeding with this meeting.

Trustee Thurmond: I would like to try again. I make a motion to appoint Trustee Tim Perchinski Chairman Pro-tem for the meeting. Trustee Joyce seconded the motion. Trustee Perchinski declined at first, then stated, I will accept. We have to get the business of the people done here.

Minutes February 2, 2025, page 4

AUDIENCE PARTICIPATION

David Mendez Jr. 144 Dorsetshire Dr. Steger, IL stated, I am here to request for some by-laws for my sports programs to get some clarification on what my role is. I am definitely new to all this stuff. That was the discussion I had with Mr. Peterson. So I don't have his guidance as I had in the beginning. I need to follow up on what I am supposed to be doing as head of the Rec Board. There have been some small bumps in the road with the sports programs, so I want to make sure I am clarified on what I can do to get past those bumps make sure I can get us back on track with certain things. In other news, the sports programs are doing pretty well. We still don't have soccer, I want to know if I can get some kind of vote where I can move wrestling into the programs because we have started to take a big liking with the town. So, with the support of the Village I think we might be able to grow it a little bit bigger and bring the cost down so we can get more participants in it. We have two kids from Steger that placed in conference. Basketball is doing well with Chicago Heights, we have Cheerleading, softball, football and baseball right around the corner. Just want to stay ahead of the game with these programs so we can have clarification when we discuss these programs. Trustee Perchinski suggested that a sit down with Village Administrator Seehausen is his best bet to get direction for what he needs to know. There currently are no by-laws. The Recreation Department is governed by Village Ordinance. Trustee Stewart suggested that there was a set of By-laws when he was in charge of the Rec Board. He recommended that he reach out to Tom Dreixler and Kathy Briggs to see if those by-laws are available to view. Trustee Perchinski further stated that the Rec Board would review and update those by-laws and bring them to the Village Board for approval.

REPORTS

Village Administrator Mary Jo Seehausen One of the things, I need some Business Licenses signed. They have been previously approved and need to be signed. I
Minutes February 2, 2025, page 5

attended the Rec Board meeting on January 28th. I was able to distribute some instructions on their revenues and their expenses and procedures for that. Everyone

except the volleyball trustee was there. All the other people were there and they did take a vote among themselves that they did not want to team up with Chicago Heights Park District. So that everyone is aware that's where that stands as of now. I believe they are going to finish basketball with Chicago Heights Park District then the board can figure out how they want to proceed once we have a mayor.

Trustee Thurmond asked for an update on some of the complaints from the last board meeting, so I will let you know that the Police Department was over at the 3600 block of Sangamon and looked for the complaints on the vehicles there. They also continue to receive calls and answer calls at 3400 Morgan as well. There are no new updates for that. There have been multiple citations written regarding vehicles on Sangamon.

Director of Public Infrastructure Dave Toepper 5-Star Energy has begun lead service line replacement project today.
