**INTERGOVERNMENTAL AGREEMENT
BETWEEN
THE VILLAGE OF STEGER
AND
STEGER SCHOOL DISTRICT 194**

- The Village of Steger will provide Steger School District 194 with the following services:
 - The Village of Steger will mow the Steger School District 194 fields at Columbia Central, Steger Intermediate Center, Steger Primary Center, and the area where the former Central Junior High School was located. The retention basin at Columbia Central will be mowed when the ground is dry enough to support the weight of the tractor.
 - The Village of Steger will salt all District 194 parking lots and driveways, including those at the three schools (Columbia Central, Steger Intermediate Center, and Steger Primary Center), the Administration Center, and the warehouse located at 3244 Loverock. Following an overnight or early morning snowfall, salting will be completed as early in the day as possible.
- Steger School District 194 will, as part of this agreement, allow Steger Recreation to use school gymnasiums, when available, for Steger Recreation Programs.
 - The Village of Steger/Steger Recreation will be responsible for providing proper supervision of all activities.
 - The Village of Steger/Steger Recreation will be responsible for reimbursing District 194 for the cost of any damages that may occur.
 - The Village of Steger/Steger Recreation will provide a Certificate of Liability insurance annually naming Steger School District 194 as additionally insured.
 - For weekend activities at Columbia Central, Steger School District 194 will be responsible for unlocking the building, cleaning the facilities used, and locking the building.
 - The Village and the School District agree to indemnify and hold each other harmless from any claims or damages, including attorney fees, incurred by the Village or School District due, respectively, to the School's or Village's acts or omissions. Notwithstanding (a) and (b) above, nothing contained in this Section 18 shall constitute a waiver of any privileges, defenses or immunities either of the Parties may have under the Local Government and Governmental Employee Tort Immunity Act (745 ILCS 10/1-101 et seq.) This obligation of this provision shall survive termination of this Agreement.
 - The Village of Steger/Steger Recreation shall be allowed to use the School District ball fields on a first priority basis (when the School District does not need the fields) and shall pay a reduced fee as established by the School District for non-tournament use. When the fields are used for tournaments, a high use fee will apply. Each year, the School District will prepare a fee schedule for use of the ball fields.

This agreement will be in effect for five years through June 30, 2031. After June 30, 2031 this agreement may be renewed if both the Village of Steger and Steger School District 194 approve the extended agreement. Either party may terminate this agreement for any reason with six months written notice to the other party.
